STAY SAFE THIS HALLOWEEN

Many traditional Halloween activities can be high-risk for spreading viruses. There are several safer, alternative ways to participate in Halloween.

This guidance discourages traditional trick-or-treating or trunk-and-treating where treats are handed to children.

Wearing face coverings and staying at least six feet away from people who are not part of your household are two of the most effective ways to avoid the spread.

LEAF COLLECTION

It's that time of year for Leaf Collection!

Now through December 31st, you will see the Public Works crews picking up piles of leaves from curbside with our leaf machine.

The machine will ONLY pick up loose leaves so please do not include any yard waste in your piles. Due to the quantity of streets and leaves, the crew is unable to accommodate special requests for pick up. Thank you for your patience and cooperation on this matter!
